# LAUGHING-Randy Bachman/Burton Cummings

4/4 1...2...123 (without intro)

Intro:  (2 measures)

I should laugh, but I cry, because your love has passed me by

You took me by sur-prise, you didn't rea-lize that I was waiting

Time goes slowly, but carries on, and now the best years have come and gone

You took me by sur-prise, I didn't rea-lize that you were laughing

Laugh-ing, 'cause you're doin' it to me. Laugh-ing, it ain't the way it should be

You took away everything I had, you put the hurt on me (X2)

   

I go a-lone now, calling your name, after losing at the game

   

You took me by sur-prise, I didn't rea-lize that you were laughing
