Laura — David Raksin/Johnny Mercer

4/4  1...2...1234

Intro: (1st line)

Laura           is the face in the misty light,

Footsteps           that you hear down the hall.

The laugh          that floats on a summer night

That you can never quite re - call. And you see

Laura         on the train that is passing through.

Those eyes,            how familiar they seem.

She gave           your very first kiss to you.

That was Laura        but she's only a dream.

She gave           your very first kiss to you.

That was Laura        but she's only a dream.
