INTRO:

Turning and turning, the world goes on. We can't change it, my friend

Let us go riding now through the days, together to the end, 'til the end

Les bi-cy-clettes de Bel-size, carry us side by side

And, hand in hand, we will ride over Bel-size

Turn your magical eyes 'round and a-round, looking at all we've found

Carry us through the skies, les bicy-clettes de Bel-size

Spinning and spinning, the dreams I know, rolling on through my head

Let us en-joy them be-fore they go, come the dawn, they all are dead, yes, they're dead
