LET ME BE THERE (BAR)-John Rostill

4/4 1234 12 (without intro)

Intro:  (4 measures)

Wherever you go, wherever you may wander in your life

Surely you know I'll always wanna be there

Holding your hand, and standin' by to catch you when you fall

Seein' you through, in everything you do

Let me be there in your morning, let me be there in your night

Let me change whatever's wrong, and make it right

Let me take you through that wonderland that only two can share

All I ask you is let me be there

Watching you grow, and goin' through the changes in your life

That's how I know I'll always wanna be there

p.2. Let Me Be There

Whenever you feel you need a friend to lean on, here I am

Whenever you call, you know I'll be there

Let me be there in your morning, let me be there in your night

Let me change whatever's wrong, and make it right

Let me take you through that wonderland that only two can share

All I ask you is let me be there

Let me be there in your morning, let me be there in your night

Let me change whatever's wrong, and make it right

Let me take you through that wonderland that only two can share

All I ask you is let me be there, all I ask you is let me be there
