I can see the dancin', the silhouettes on the shade. I hear the music, all the lovers on parade

   
Open up, I want to come in again, I thought you were my friend

    
Pitter patter of those fee-ee-ee-ee-eet, movin' and a-groovin' with that be - eat

  
Jumpin' and stompin on the flo-o-o-o-oor. Let me in! Open up!

Why don't you open up that door?

 
I hear music let me in, I want to come in again

  
Let me in, a-well I heard it just then, I thought you were my friend
