

# LET'S GO FLY A KITE<sub>(BAR)</sub>-Richard Sherman/Robert Sherman

3/4 123 12 (without intro)

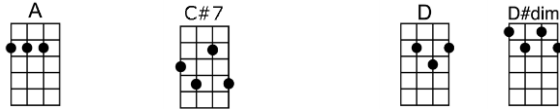

**Intro:**

With tuppence for paper and strings, you can have your own set of wings

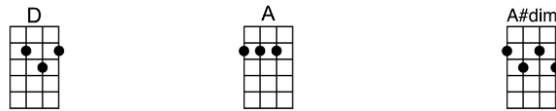

With your feet on the ground, you're a bird in flight

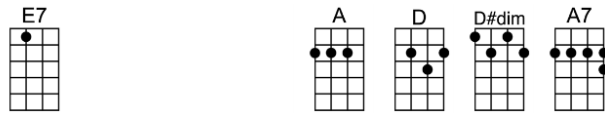

With your fist holding tight to the string of your kite, oh, oh, oh!

Let's go fly a kite, up to the highest height!

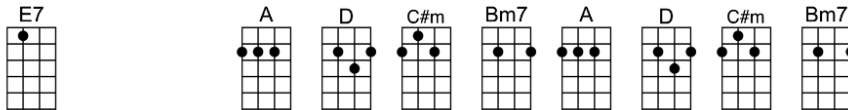

Let's go fly a kite and send it soar – ing

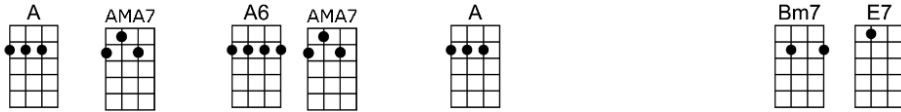

Up through the atmosphere, up where the air is clear

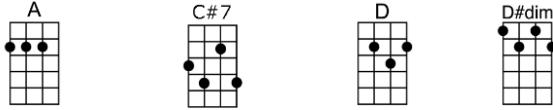

Oh, let's go fly a kite!

**p.2. Let's Go Fly a Kite**

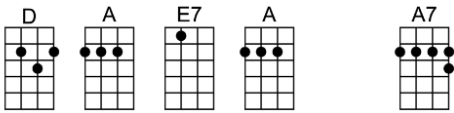

When you send it flyin' up there, all at once you're lighter than air

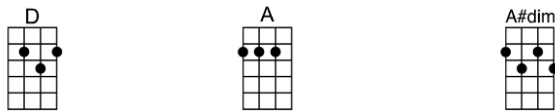

You can dance on the breeze over houses and trees

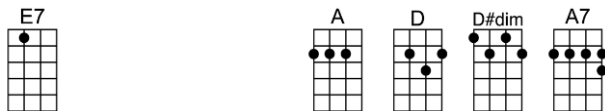

With your fist holding tight to the string of your kite

**Interlude:**  Oh, oh, oh

A series of five ukulele chord diagrams. From left to right: D (2nd fret on 1st string), A (open strings), E7 (2nd fret on 1st string), A (open strings), and A7 (2nd fret on 1st string).

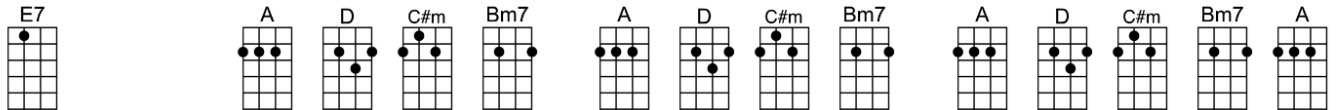

Let's go fly a kite, up to the highest height!

Let's go fly a kite and send it soar – ing

Up through the atmosphere, up where the air is clear

Oh, let's go fly a kite, fly a kite, fly a kite!
