LITTLE BOAT - Roberto Menescal/Buddy Kaye

4/4 1...2...1234

Intro:

My little boat is like a note bouncing merrily along, hear it splashing up a song

The sails of white, the sky is bright, heading out into the blue with a crew of only two

Where we can share love's salty air on a little paradise that's a-float

Not a care have we in my little boat

The wind is still, we feel the thrill of a voyage heaven-bound, though we only drift around

Warmed by the sun, two hearts as one, beating with enchanted bliss a-with each other's kiss

When daylight ends and slyly sends little stars that twinkle brightly a-bove

It's good bye to you, little boat of love... It's good bye to you, little boat of love...

It's good bye to you, little boatof love
