Little darlin', oh, little darlin', oh, where are you?

My love, I was wrong, to try to love you.

Know well, that my love was just for you... only you...

(Spoken):

My darling, I need you to call my own and never do wrong.

To hold in mine, your little hand, I'll know too soon that all is so grand.

Please, hold my hand.

My dear, I was wrong, to try to love you.

Know well, that my love was just for you... only you...
