

# LITTLE THINGS - Bobby Goldsboro

4/4 1234 12 (without intro)

Intro:  (4 measures)

Little things that you do make me glad I'm in love with you

Little things that you say make me glad that I feel this way

The way you smile, the way you hold my hand

And when I'm down, you always under-stand. You know I love those

Little things in my ear, that you say when there's no one near

Little things that you do let me know that your love is true

When we walk, you like to hold my hand

And when we talk, you tell me I'm your man. You know I love those

   

Little things that I hear, the little things you whisper in my ear

    

I know there ain't nobody else like you, no one could do the little things you do
