4/4 1234 12

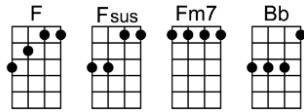

Have you heard about the Lonesome Loser? Beat - en by the Queen of Hearts every time.

Have you heard about the Lonesome Loser? He's a los-er, but he still keeps on trying.

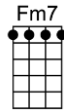

Interlude:

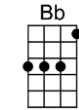

(X2)

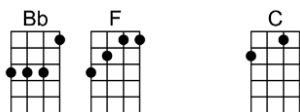

Sit down, take a look at yourself.

Don't you want to be somebody?

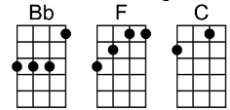

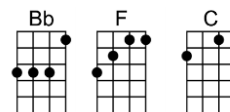

Someday somebody's gonna see inside. You have to face up, you can't run and hide.

Have you heard about the Lonesome Loser? Beat - en by the Queen of Hearts every time.

Have you heard about the Lonesome Loser? He's a los-er, but he still keeps on trying.

Unlucky at love, at least that's what they say.

He lost his head, and he gambled his heart away

p.2. Lonesome Loser

He still keeps searching, though there's nothing left

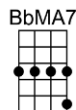

Staked his heart and lost, now he has to pay the cost

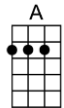

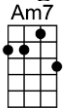

Have you heard about the Lonesome Loser? Beat - en by the Queen of Hearts every time.

Have you heard about the Lonesome Loser? He's a los-er, but he still keeps on trying.

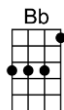

"It's o-kay." he smiles and says, though this loneliness is driving him crazy.

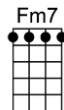

He don't show what goes on in his head, but if you watch very close, you'll see it all
