Intro:  | C | Em | F | G7 |

There's a place where lovers go to cry their troubles away

And they call it lonesome town, where the broken hearts stay

You can buy a dream or two to last you all through the years

And the only price you pay is a heart full of tears

Goin' down to lonesome town, where the broken hearts stay

Goin' down to lonesome town, to cry my troubles away

In the town of broken dreams, the streets are filled with regret

Maybe down in lonesome town, I can learn to forget

Maybe down in lonesome town, I can learn to forget
