LOVE IS BLUE - Pierre Cour/Brian Blackburn

4/4 1...2...1234

Intro: |  |  |  |  |

Blue, blue, my world is blue, blue is my world, now I'm without you

Gray, gray, my life is gray, cold is my heart since you went a-way

Red, red, my eyes are red, crying for you a-lone in my bed

Green, green, my jealous heart, I doubted you and now we're a-part

When we met, how the bright sun shone

Then love died, now the rainbow is gone

Black, black, the nights I've known, longing for you, so lost and a-lone

       

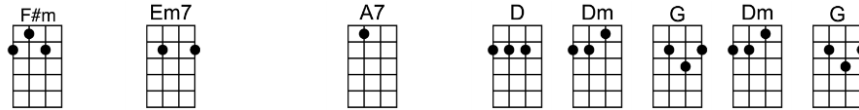

Gone, gone, the love we knew. Blue is my world, now I'm without you

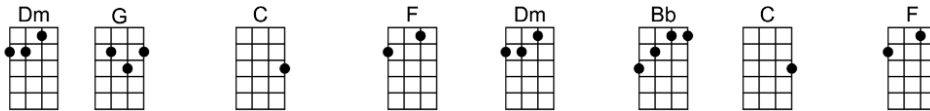

p.2. Love Is Blue

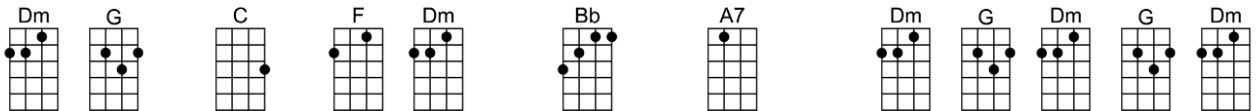

When we met, how the bright sun shone

Then love died, now the rainbow is gone

Black, black, the nights I've known, longing for you, so lost and a-lone

Blue, blue, my world is blue, blue is my world, now I'm without you
