Intro: | | |

Blue, blue, my world is blue, blue is my world, now I'm without you

Gray, gray, my life is gray, cold is my heart since you went a-way

Red, red, my eyes are red, crying for you a-lone in my bed

Green, green, my jealous heart, I doubted you and now we're a-part

When we met, how the bright sun shone

Then love died, now the rainbow is gone

Black, black, the nights I've known, longing for you, so lost and a-lone

Gone, gone, the love we knew. Blue is my world, now I'm without you
p.2. Love Is Blue
