LOVER, COME BACK TO ME (BAR) - Oscar Hammerstein II
4/4
-Sigmund Romberg

You went away, I let you. We broke the ties that bind
I wanted to forget you, and leave the past behind

Still, the magic of the night I met you seems to stay forever in my mind

The sky was blue, and high above, the moon was new, and so was love

This eager heart of mine was singing, “Lover, where can you be?”

You came at last, love had its day. That day is past, you’ve gone away

This aching heart of mine is singing, “Lover, come back to me!”

When I remember every little thing you used to do, I’m so lonely

Every road I walk along, I’ve walked along with you. No wonder I am lonely
Lover, Come Back To Me

The sky is blue, the night is cold, the moon is new, but love is old
And while I'm waiting here, this heart of mine is singing, "Lover, come back to me!"
