LOVE'S BEEN GOOD TO ME (BAR) - Rod McKuen

Intro:

I have been a rover, I have walked a-lone.
Hiked a hundred highways, never found a home
Still in all I'm happy, The reason is, you see
Once in a while a-long the way, love's been good to me

There was a girl in Denver, before the summer storm
Oh, her eyes were tender, oh, her arms were warm
And, she could smile a-way the thunder, kiss away the rain
Even though she's gone a-way, you won't hear me com-plain

I have been a rover, I have walked a-lone.
Hiked a hundred highways, never found a home
p.2. Love’s Been Good To Me

Still in all I'm happy. The reason is, you see

Once in a while a-long the way, love's been good to me

There was a girl in Portland, before the winter chill

We used to go a-courtin' a-long October hill

And she could laugh a-way the dark clouds, cry away the snow

It seems like only yester-day, as down the road I go

I've been a rover, I have walked a-lone.

Hiked a hundred highways, never found a home

Still in all I'm happy. The reason is, you see

Once in a while a-long the way, love's been good to me
