Intro:  Intro:  | F Am | Bb C7 | (X2)

When you’re a-lone and life is making you lonely you can always go- down-town
Don’t hang a-round and let your problems sur-round you there are movie shows down-town

When you’ve got worries, all the noise and the hurry seems to help I know- down-town
Maybe you know some little places to go to where they never close down-town

Just listen to the music of the traffic in the city,
Just listen to the rhythm of a gentle bossa nova,

Linger on the sidewalk where the neon signs are pretty, how can you lose?
You’ll be dancing with it too be-fore the night is over, happy again…..

The lights are much brighter there you can for-get all your troubles, forget all your cares and go

1. Down-town things’ll be great when you’re, down-town, no finer place, for sure

Down-town everything’s waiting for you  (2nd verse)

2. Down-town where all the lights are bright, down-town waiting for you tonight

Down- town you’re gonna be alright now

Down -town where all the lights are bright, down-town waiting for you tonight

Down-town you’re gonna be alright now
