

SING C

# MAKE YOUR OWN KIND OF MUSIC<sub>(BAR)</sub>

4/4 1...2...1234

-Barry Mann/Cynthia Weil

Intro:

Nobody can tell you,

"There's only one song worth singing."

They may try and sell you, 'cause it hangs them up to see someone like you.

But you've got to make your own kind of music, sing your own special song

Make your own kind of music, even if nobody else sings a-long

You're gonna be nowhere, the loneliest kind of lonely

It may be rough going, just to do your thing's the hardest thing to do

But you've got to make your own kind of music, sing your own special song

Make your own kind of music, even if nobody else sings a-long

So, if you cannot take my hand, and if you must be goin', I will understand

You've got to make your own kind of music, sing your own special song

Make your own kind of music, even if nobody else sings a-long

(repeat last 2 lines)

# DOWNTOWN<sub>(BAR)</sub> w.m. Tony Hatch

Intro: | F Am | Bb C7 | (X2)

When you're a-lone and life is making you lonely you can always go- down-town  
Don't hang a-round and let your problems sur-round you there are movie shows down-town

When you've got worries, all the noise and the hurry seems to help I know- down-town  
Maybe you know some little places to go to where they never close down-town

Just listen to the music of the traffic in the city,  
Just listen to the rhythm of a gentle bossa nova,

Linger on the sidewalk where the neon signs are pretty, how can you lose?  
You'll be dancing with it too be-fore the night is over, happy again.....

The lights are much brighter there you can for-get all your troubles, forget all your cares and go

1. Down-town things'll be great when you're, down-town, no finer place, for sure

Down-town everything's waiting for you (2nd verse)

1234 1234

2. Down -town where all the lights are bright, down-town waiting for you tonight

Down- town you're gonna be alright now

Down -town where all the lights are bright, down-town waiting for you tonight

Down- town you're gonna be alright now
