# A MAN WITHOUT LOVE - Daniele Pace

4/4 1...2...1234

-Eng. lyrics Barry Mason

**Intro:** |  |  |  |  |

I can remember when we walked to-gether, sharing a love I thought would last for-ever

Moonlight to show the way, so we can follow, waiting inside her eyes was my to-morrow

Then something changed her mind, her kisses told me I had no loving arms to hold me

Every day I wake up, then I start to break up, lonely is a man without love

Every day I start out, then I cry my heart out, lonely is a man without love

Every day I wake up, then I start to break up, knowing that it's cloudy a-bove

Every day I start out, then I cry my heart out, lonely is a man without love

I cannot face this world that's fallen down on me,

   

So, if you see my girl, please send her home to me

     

Tell her about my heart that's slowly dying. Say I can't stop my-self from crying

## p.2. A Man Without Love

Every day I wake up, then I start to break up, lonely is a man without love

Every day I start out, then I cry my heart out, lonely is a man without love

Every day I wake up, then I start to break up, knowing that it's cloudy a-bove

Every day I start out, then I cry my heart out, lonely is a man without love

Every day I wake up, then I start to break up, lonely is a man without love

Every day I start out, then I cry my heart out, lonely is a man....without love
