**ME AND MY ARROW (BAR)**-Harry Nilsson

4/4 1...2...1234

**Intro:** (4 measures)

Me and my arrow, straighter than narrow, wherever we go, everyone knows it's me and my arrow

Me and my arrow, taking the high road, wherever we go, everyone knows it's me and my arrow

And in the morning when I wake up, she may be gone, I don't know

And if we make up just to break up, I'll carry on, oh yes I will

Me and my arrow, do do do do do do do do, straighter than narrow

Wherever we go, everyone knows it's me and my arrow

Me and my arrow.....me and my arrow

Me and my arrow, me and my arrow, me and my arrow

Me and my arrow, do do do do do do do do, straighter than narrow

Wherever we go, everyone knows it's me and my arrow
Are you sleeping? Can you hear me? Do you know if I am by your side?

Does it matter if you hear me? When the morning comes I'll be there by your side.

And in the morning when I wake up, she may be telling me goodbye, la la la la

And in the evening if we break up, I'm wondering why, I'm wondering why

There was a time, we had a time, there was a time, we had a time

There was a time, there was a time when you were mine

We had a time, we had a time, we had a time, oh what a time

There was a time, there was a time when you were mine

And in the evening if we go out, night time will find us at the show, la la la la

Or we may decide to stay inside, you never know, you never know, etc.

Are you sleeping or can you hear me? Do you know if I am by your side?

Does it matter if you hear me? When the morning comes I'll be there by your side

Na, na, na........................................
