4/4 1...2...123 (without intro) -Mitchell Parish

Intro: |  |  |  |  |  |  |  |  |

 |  |  |  |  |

The moon is a silver dollar, shining up in the sky

 |  |  |  |  |  |

There's the dream we can buy, sweetheart, you and I

 |  |  |  |  |

The moon is a silver dollar, made for lovers to share

 |  |  |

And, with you in my arms, I'm a millionaire

 |  |  |  |  |  |

Our cares and troubles will all be small change

 |  |  |  |

Someday they'll all change in-to a dream come true

 |  |  |  |  |

The moon is a silver dollar, what a glorious sight

 |  |  |  |  |  |

Let's invest in him, love, to-night

Interlude: Chords of bridge

 |  |  |  |  |

The moon is a silver dollar, what a glorious sight

 |  |  |  |  |  |

Let's invest in him, love, to-night
