

SING A

MOSCOW NIGHTS - Solovyov-Sedoi

4/4 1...2...1234

Intro: 2nd line, followed by

Stillness in the grove, not a rustling sound, softly shines the moon, clear and bright

Dear, if you could know how I treasure so, this most beautiful Moscow night

Lazily the brook, like a silvery stream, ripples in the light of the moon

And a song afar fades, as in a dream, in this night that will end too soon (X2)

Instrumental verse

Dearest, why so sad, why the downcast eyes, and your lovely head bent so low

Oh, I mustn't speak, though I'd love to say that you've stolen my heart a-way

Promise me, my love, as the dawn ap-pears, and the darkness turns into light

That you'll cherish, dear, through the passing years, this most beautiful Moscow night

Say you'll cherish, dear, through the passing years, this most beautiful Moscow night
