# MOUNTAIN OF LOVE<sub>(BAR)</sub>-Harold Dorman

4/4 1...2...1234

**Intro:**  (4 measures)

  
**Standin' on a mountain lookin' down on a city, the way I feel is a doggone pity**

   
**Teardrops fallin' down a mountainside, many times I've been here, many times I've cried**

       
**We used to be so happy, when we were in love, high on a mountain of love**

  
**Night after night I'm a-standin' here alone, weepin' my heart out till cold gray dawn**

  
**Prayin' that you're lonely, and you come here too**

  
**Hopin', just by chance, that I'll get a glimpse of you**

       
**Tryin' hard to find you, somewhere up above, high on a mountain of love**

      
**A mountain of love, a mountain of love, you should be a-shamed**

      
**We used to be a mountain of love, but you just changed your name**

**p.2. Mountain of Love**

Way down below there's a half a million people. Somewhere there's a church with a big tall steeple

Inside a church there's an altar filled with flowers.

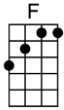

Weddin' bells are ringin' and they shoulda been ours

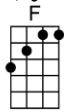

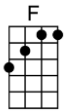

That's why I'm so lonely, our dreams gone above, high on a mountain of love

**Interlude: 2nd verse**

A mountain of love, a mountain of love, you should be a-shamed

We used to be a mountain of love, but you just changed your name

Way down below there's a half a million people. Somewhere there's a church with a big tall steeple

Inside a church there's an altar filled with flowers

Weddin' bells are ringin' and they shoulda been ours

That's why I'm so lonely, our dreams gone above, high on a mountain of love

High on a mountain of love,

high on a mountain of love

(repeat, fade)
