MY BUDDY (BAR)-Walter Donaldson/Gus Kahn

3/4 123 123

Intro:

Verse:

Life is a book that we study, some of its leaves bring a sigh,
Buddies through all of the gay days, buddies when something went wrong;

There it was written, my buddy, that we must part, you and I.
I wait a-lone through the gray days, missing your smile and your song.

Nights are long since you went a-way,
I think about you all through the day,
My buddy, my buddy, no buddy quite so true.

Miss your voice, the touch of your hand,
Just long to know that you understand,
My buddy, my buddy, your buddy misses you

Interlude: 2nd verse and chorus)
