# MY LOVE<sub>(BAR)</sub>-Tony Hatch

4/4 1...2...1234

**Intro:** |  |  |  |  |

My love is warmer than the warmest sunshine, softer than a sigh

My love is deeper than the deepest ocean, wider than the sky

My love is brighter than the brightest star that shines every night a-bove

And there is nothing in this world that can ever change my love

Something happened to my heart the day that I met you, something that I never felt before

You are always on my mind, no matter what I do, and every day it seems I want you more

My love is warmer than the warmest sunshine, softer than a sigh

My love is deeper than the deepest ocean, wider than the sky

My love is brighter than the brightest star that shines every night a-bove

       

And there is nothing in this world that can ever change my love

p.2. My Love

Once I thought that love was meant for anyone else but me, once I thought you'd never come my way

Now it only goes to show how wrong we all can be, for now I have to tell you every day

My love is warmer than the warmest sunshine, softer than a sigh

My love is deeper than the deepest ocean, wider than the sky

My love is brighter than the brightest star that shines every night a-bove

And there is nothing in this world that can ever change my love

My love is warmer than the warmest sunshine, softer than a sigh

My love is deeper than the deepest ocean, wider than the sky

My love is brighter than the brightest star that shines every night a-bove

And there is nothing in this world that can ever change....my....love
