MY SWEET LADY - John Denver

Intro: |   |   | (X2)

Lady, are you cryin’, do the tears belong to me?

Did you think our time to-gether was all gone?

Lady, you've been dreamin’. I'm as close as I can be.

And I swear to you our time has just begun.

Close your eyes and rest your weary mind.

I promise I will stay right here be-side you.

To-day our lives were joined, became en-twined.

I wish that you could know how much I love you.
Lady, are you happy, do you feel the way I do?
Are there meanings that you've never seen before?
Lady, my sweet lady, I just can't believe it's true.
And it's like I've never ever loved before.
So, close your eyes and rest your weary mind.
I promise I will stay right here beside you.
To-day our lives were joined, became entwined.
I wish that you could know how much I love you.
Lady, are you cryin', do the tears belong to me?
Did you think our time together was all gone?
Lady, my sweet lady. I'm as close as I can be.
And I swear to you our time has just begun.
