MY WALKING STICK (BAR)-Irving Berlin

4/4 1234 1 (without intro)

Intro: First 2 lines

Without my walking stick, I'd go in-sane

Can't look my best, I feel undressed without my cane

Must have my walking stick 'cause it may rain

When it pours, can't be outdoors without my cane

If I ever left my house without my walking stick

Well, it would just be something I could never explain

The thing that makes me click on lover's lane

Would go for naught if I were caught without my cane

p.2. My Walking Stick

Instrumental: First 2 verses

If I ever left my house without my walking stick

Well, it would just be something I could never explain

The thing that makes me click on lover's lane

Would go for naught if I were caught without my cane

Would go for naught if I were caught without my cane

Would go for naught if I were caught without my cane
