I know a place where dreams are born, and time is never planned

It's not on any chart, you must find it with your heart-Never Never Land

It might be miles beyond the moon, or right there where you stand

Just have an open mind, and then suddenly you'll find Never Ne - ver Land

You'll have a treasure if you stay there, more precious far than gold

For, once you have found your way there, you can ne - ver, never grow old

So come with me where dreams are born, and time is never planned

Just think of lovely things, and your heart will fly on wings, for-ever in Never Ne - ver Land
