

# NICE TO BE WITH YOU - Jim Gold

4/4 1...2...1234

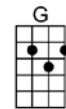

**Intro:** |  |  |  |  |  |

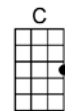

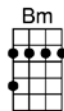

Oh, it's so nice to be with you, I love all the things you say and do

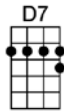

And it's so nice to hear you say you're gonna please me in every way

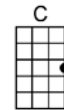

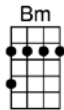

Honey, I got the notion you're causin' commotion in my soul

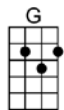

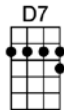

Baby, you and me have got somethin' that's real, I know it's gonna last a lifetime,

Oh, you better believe it, girl

At night I call your name, darkness fills my room, I'm only dreamin'

About the time I'm gonna be with you

**p.2. Nice To Be With You**

**Instrumental:**

**When I'm feelin' down, you're there to pick me up, and help me to carry on**

**Oh, little things mean a lot**

**When you need a shoulder to cry on, I'm there to ease the pain, and chase a-way the rain**

**Oh, darlin', I just gotta say**

**And it's so nice to hear you say you're gonna please me in every way (repeat and fade)**
