

# A NIGHTINGALE SANG IN BERKELEY SQUARE

4/4 1...2...1234

-Eric Maschwitz/Manning Sherwin

Intro:

(x2)

That certain night, the night we met, there was magic in the air

There were angels dining at the Ritz, and a nightingale sang in Berkeley Square

I may be right, I may be wrong, but I'm perfectly willing to swear

That when you turned and smiled at me, a nightingale sang in Berkeley Square

The moon that lingered over London Town,

Poor puzzled moon, he wore a frown

How could he know we two were so in love?

The whole darn world seemed upside-down

The streets of town were paved with stars, it was such a romantic affair

And as we kissed, and said good-night, a nightingale sang,

Yes, a nightingale sang,

oh, that nightingale sang in Berkeley Square
