NIGHTMOVES - Michael Franks/Michael Small

4/4 1...2...1234

Intro: |  |  |  |  |

The music begins, and the titles fade in, starring you and me

The hero is struggling to say that his lady is far away

In her prison of wishes

We love and we fight, but it's all day for night, just a masquerade

We're real, till the red light is off, then we go take our faces off

Like two clowns in a side show

Love is like two dreamers dreamin' the exact same dream

Just another Techni-color romance on the screen

p.2. Nightmoves

Interlude: First 3 lines

Love is like two dreamers dreamin' the exact same dream

Just another Techni-color romance on the screen

I keep you in frame, and I whisper your name till the picture fades

The feeling is already gone, I don't know why I'm goin' on

Can't remember the ending

Love is like two dreamers dreamin' the exact same dream

Just another Techni-color romance on the screen

Love is like two dreamers dreamin' the exact same dream
