Intro: |  |  |  |  |  |

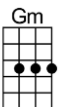

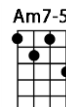

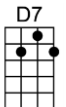

The moon, the stars, the stillness of the night has always cast a spell on me

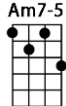

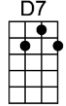

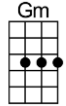

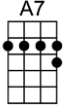

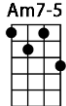

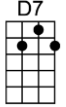

I'm not a-shamed to say I'd rather sleep all day

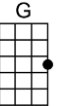

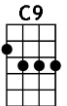

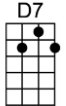

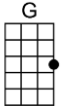

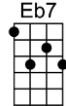

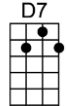

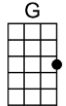

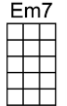

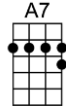

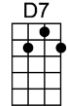

The lights, the fun, the things that can be done

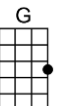

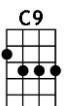

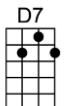

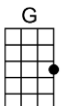

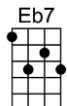

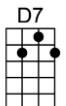

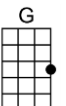

But, one who needs the sun can't see

I'm like that wise old bird, whose song you've often heard

         

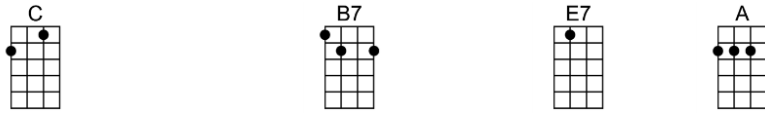

Ooh, ooh, I'm a night owl, I wake up just as soon as the sun goes down

       

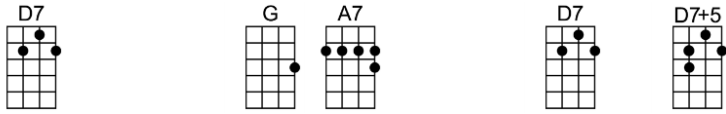

Ooh, ooh, I'm a night owl, I start out, and I do the town up brown

p.2. Night Owl

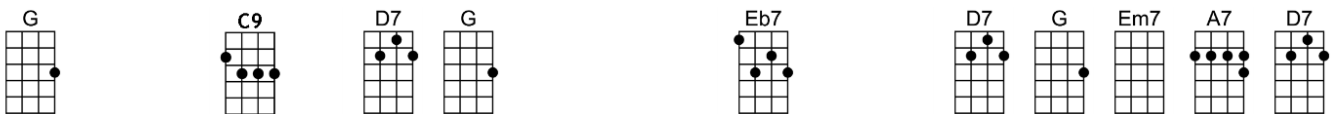

I make light of the darkness, like my friend in the tree

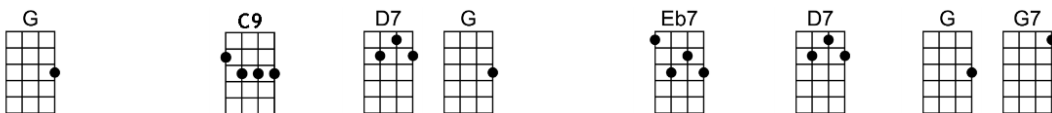

'Long about three, I'm hootin', still hootin'

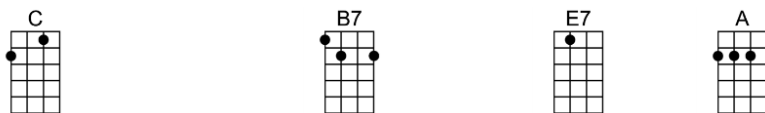

Ooh, ooh, I'm a night owl, just like that great bird, I am a late bird too

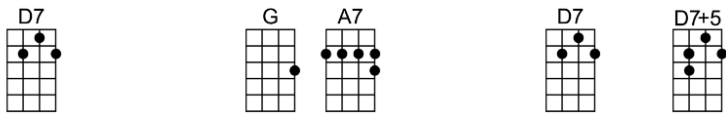

Ooh, ooh, I'm a night owl, I wake up just as soon as the sun goes down

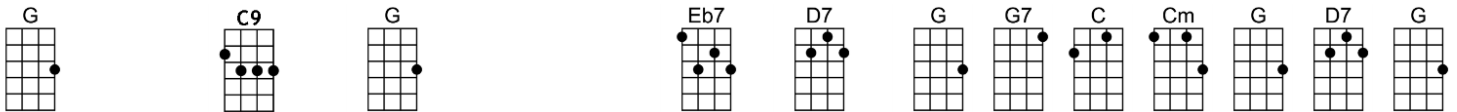

Ooh, ooh, I'm a night owl, I start out, and I do the town up brown

I make light of the darkness, like my friend in the tree

'Long about three, I'm hootin', still hootin'

Ooh, ooh, I'm a night owl, just like that great bird, I am a late bird too
