Intro: |   |   | (X2)

       
No other love have I, only my love for you

     
Only the dream we knew, no other love

       
Watching the night go by, wishing that you could be

     
Watching the night with me, into the night I cry,

     
“Hurry home, come home to me, set me free”

     
Free from doubt, and free from longing

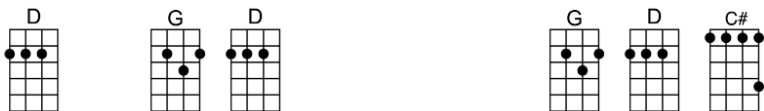

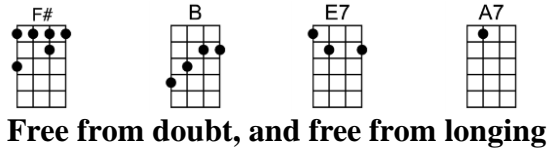

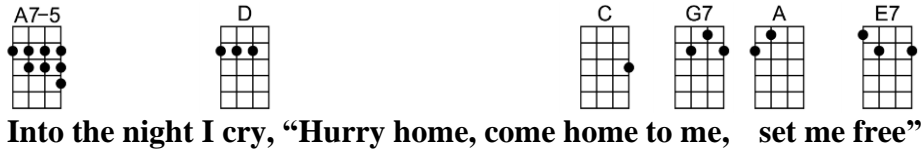

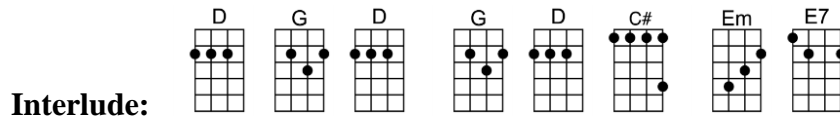

**p.2. No Other Love**

**Into your arms I'll fly, locked in your arms I'll stay**

**Waiting to hear you say, "No other love have I." No other love!**

**Into your arms I'll fly, locked in your arms I'll stay**

**Waiting to hear you say, "No other love have I." No other love have I!**
