OLD MAN - Neil Young

Intro:  |   |   |   |   |   | (X2)

Old man, look at my life, I’m a lot like you were

Old man, look at my life, I’m a lot like you were

Old man, look at my life, twenty-four, and there’s so much more

Live alone in a Paradise, that makes me think of two

Love lost, such a cost, give me things that don’t get lost

Like a coin that won’t get tossed, rolling home to you

Old man, take a look at my life, I’m a lot like you

I need someone to love me the whole day through

Ah, one look in my eyes, and you can tell that’s true
p.2. Old Man

Interlude:

Lullabies, look in your eyes, run around the same old town

Lullabies, look in your eyes, run around the same old town

Doesn’t mean that much to me, to mean that much to you

I’ve been first and last, look at how the time goes past

But I’m all alone at last, rolling home to you.

Old man, take a look at my life, I’m a lot like you

I need someone to love me the whole day through

Ah, one look in my eyes, and you can tell that’s true

Old man, look at my life, I’m a lot like you were

Old man, look at my life, I’m a lot like you were

Old man, look at my life, I’m a lot like you were
