ONCE UPON A TIME—Charles Strouse/Lee Adams

Intro: | GMA7 | G6 | D7sus | D7 | (X2)

Once upon a time          a girl with moonlight in her eyes

Put her hand in mine          and said she loved me so

But that   was   once upon a time,           very long a-go

Once upon a hill         we sat be-neath a willow tree

Counting all the stars          and waiting for the dawn

But that  was   once upon a time,           now the tree is gone
