ONE FINGER MELODY

Intro:

Yum dida dida, I love to play this melo-dy,

Yum dida dida, the melody you sang to me.

Here beside my piano, I linger,

Picking out a memory with just one finger.

Yum dida dida, the music brings me close to you,

Maybe if I play it long enough it will come true,

Now you're far a-way and I'm a-lone and so I play

Yum dida dida, da yum dida dida, all day.
p.2. One Finger Melody

Now you're far a-way and I'm a-lone and so I play

Yum dida dida, da yum dida dida, all day.

(Yum dida dida da ooo, yum dida dida da ooo)

Yum dida dida, da ooo.
