ONE OF THESE NIGHTS (BAR)-Don Henley/Glenn Frey

4/4 1234 12 (without intro)

Intro: | Am | G6 | FMA7 |

One of these nights, one of these crazy old nights

We're gonna find out, pretty mama, what turns on your lights

The full moon is calling, the fever is high, and the wicked wind whispers and moans

You got your demons, you got desires, well, I got a few of my own

Ooh, someone to be kind to, in between the dark and the light

Ooh, comin’ right behind you, swear I'm gonna find you, one of these nights

One of these dreams, one of these lost and lonely dreams, now

We're gonna find one, mm, one that really screams

I've been searchin’ for the daughter of the devil himself

I've been searchin’ for an angel in white
p.2. One of These Nights

I've been waitin' for a woman who's a little of both
And I can feel her but she's nowhere in sight

Ooh, loneliness will blind you, in between the wrong and the right

Ooh, comin’ right behind you, swear I'm gonna find you, one of these nights

Interlude: First 4 lines

One of these nights, ooh, in between the dark and the light

Comin’ right behind you, swear I'm gonna find you, get you, baby, one of these nights  (fade)

One of these nights (ooh-ooh-ooh-ooh ooh-ooh-ooh-ooh)

One of these nights (I can feel it, I can feel it)

One of these nights (swear I'm gonna find you now)
