4/4 1234 12

**Intro:**

**I have often walked down this street before**

**But the pavement always stayed beneath my feet before**

**All at once I several stories high, knowing I'm on the street where you live**

**Are there lilac trees in the heart of town**

**Can you hear a lark in any other part of town**

**Does en-chantment pour out of every door? No, it's just on the street where you live**

**Oh, the towering feeling, just to know some-how you are near**

**The o .....verpowering feeling that any second you may sudden-ly ap - pear**

**People stop and stare.....they don't bother me**

**For there's nowhere else on earth that I would rather be**

**Let the time go by, I won't care if I can be here on the street where you live**
