ORANGE COLORED SKY

4/4 1...2...123 (without intro)

Intro: 2nd line

I was walkin' a-long, mindin' my business, when, out of an orange colored sky,

Flash, bam, alaca-zam, wonderful you came by.

I was hummin' a tune, drinkin' in sunshine, when, out of that orange colored view,

Wham, bam, alaca-zam, I got a look at you.

One look and I yelled "timber, watch out for flyin' glass"

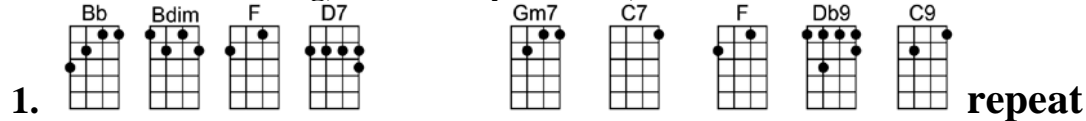

Cause the ceiling fell in and the bottom fell out

I went into a spin and I started to shout, "I've been hit, this is it, this is it!"

I was walkin' a-long, mindin' my business, when love came and hit me in the eye

Flash, bam, alaca-zam, out of an orange colored sky.

Flash, bam, alaca-zam, out of an orange colored, purple striped,

Pretty, green polka dot sky.....

Flash, bam, alacazam.....and.....good-bye!
