OUT IN THE COUNTRY (BAR) - Paul Williams/Roger Nichols

4/4 1...2...1234

Intro:  |   |   |   | (X4)

Whenever I need to leave it all be-hind, or feel the need to get a-way
I find a quiet place, far from the human race, out in the coun – try

Before the breathin' air is gone, before the sun is just a bright spot in the nighttime
Out where the rivers like to run
I stand a-lone and take back somethin' worth re-memberin'

Whenever I feel them closing in on me, or need a bit of room to move
When life becomes too fast, I find relief at last, out in the coun – try

Before the breathin' air is gone, before the sun is just a bright spot in the nighttime
p.2. Out In the Country
