# PENTHOUSE SERENADE (BAR)-Will Jason/Val Burton

4/4 1...2...1234

**Intro:** |  |  |  |  |  |

**Just**  **picture a penthouse**  **way up in the sky,**

 

**With hinges on chimneys**  **for stars to go by**       

**A sweet slice of heaven for just you and I, when we're a-lone**

**From all of society we'll stay aloof**

**And live in propriety, there on the roof**

**Two heavenly hermits, we will be in truth, when we're a-lone**

      

**We'll see life's mad pattern, as we view Man-hattan**

      

**Then we can thank our lucky stars that we're living as we are**

**p.2. Penthouse Serenade**

**In our little penthouse we'll always contrive**

**To keep love and romance for-ever alive**

**In view of the Hudson just over the drive, when we're a-lone**

**Sunsets in the village, paintings left un-finished**

**Twinkling lights in Central Park, love is waiting for the dark**

**In our little penthouse on top of the town**

**Each evening we'll stargaze, we'll never look down**

**The Heavens are our rooftop, a shimmering crown, when we're a-lone**

**Just you, just me, we'll live in harmon-y**

**Enjoying each moment, the rest of our lives, when we're a-lone**
