

PLEASE DON'T EAT THE DAISIES - Joe Lubin

4/4 123 123

Intro: (6 beats)

After the first April showers, flowers appear everywhere

And, as they bloom, their fragrant perfumes tell us that Spring's in the air

Please, please, don't eat the daisies, don't eat the daisies, please, please

Here am I waitin' and anticipatin' the kisses that I'll get from you

Please, please, don't eat the daisies, don't eat the daisies, please, please

I'm so romantic, but I'm gettin' frantic, wonderin' what you're gonna do

Do you love me? Do you love me not? That's what I'm longin' to know

Do you love me? Love me a lot? You'll prove it by lettin' the daisies grow

Oh, please, please, don't eat the daisies, don't eat the daisies, please, please

Supposin' it showers, while you're eatin' flowers. The hours will be wastin' a-way

Please, don't eat the daisies to-day.

(Don't eat the daisies-repeat and fade)
