POINCIANA - Buddy Bernier/Nat Simon

4/4 1...2...1234

Intro: 1st line

Blow, tropic wind, sing a song through the trees

Trees, sigh to me, soon my love I will see

Poinci-ana, your branches speak to me of love,

Pale moon is casting shadows from a-bove

Poinci-ana, somehow I feel the jungle heat,

With-in me there grows a rhythmic savage beat

Love is everywhere, its magic perfume fills the air

To and fro you sway, my heart’s in time, I’ve learned to care
Poinciana, though skies may turn from blue to gray,

My love will live forever and a day

Blow, tropic wind, sing a song through the trees

Trees, sigh to me, soon my love I will see……Poinci-ana
