There could never be a portrait of my love
For nobody could paint a dream
You will never see a portrait of my love
For miracles are never seen
Any one who sees her, soon forgets the Mona Lisa
It would take I know, a Michelange-lo
And he would need the glow of dawn that paints the sky above
To try and paint a portrait of my love
p.2. Portrait of My Love

Interlude:

It would take I know, a Michelange-lo

And he would need the glow of dawn that paints the sky above

To try and paint a portrait of my love
