PRAIRIE LULLABY

4/4 123 123

Intro: | | | (X2)

Shadows slowly creeping down the prairie trail

Everything is sleeping—all but the nightingale

Moon will soon be climbing in the purple sky

Night winds all a-humming this tender lullaby

Cares of the day have fled, my little sleepy-head

The stars are in the sky

Time that your prayers were said, my little old sleepy-head, to a prairie lullaby

Saddle up your pony, the Sandman's here

To guide you down the trail of dreams

Tumble in bed, my child, little old sleepy-head, to a prairie lullaby

Tumble in bed, my child, little old sleepy-head, to a prairie lullaby
