QUIET NIGHTS OF QUIET STARS - Jobim

Intro:

Quiet nights of quiet stars, quiet chords from my guitar
Floating on the silence that surrounds us.
Quiet thoughts and quiet dreams, quiet walks by quiet streams,
And a window looking on the mountains and the sea, how lovely!
This is where I want to be, here with you so close to me
Until the final flicker of life's ember.
I, who was lost and lonely, believing life was only
A bitter, tragic joke, have found with you
The meaning of existence, oh, my love.........oh, my love.......oh, my love
