REACHING FOR SOMEONE AND NOT FINDING ANYONE THERE

4/4   1...2...1234                 -Walter Donaldson/Edgar Leslie

Intro: | D7    | Am7    | D7    | G    | Em7    | Eb7    | D7

I'm just a bubble of trouble and care

Very fond of petting, but I'm getting no-where

Reaching for someone and not finding anyone there

No sweet romancer to answer my prayer

Always building castles that no-body will share

Reaching for someone and not finding anyone there

(Not finding anyone the - ere)

Is there a June honey-moon, is there a tune lover's croon

Is there a day coming soon, when I'll find someone somewhere
p.2. Reaching For Someone and Not Finding Anyone There

Who wouldn't worry and who wouldn't swear

Heaven is a Hades when you're up in the air

Reaching for someone and not finding anyone there

Interlude:

Is there a June honey-moon, is there a tune lover's croon

Is there a day coming soon, when I'll find someone somewhere
