RED RUBBER BALL - Paul Simon/Bruce Woodley

4/4  1...2...1234

Intro:  | | | | | | | | |

I should have known you'd bid me fare-well

There's a lesson to be learned from this, and I learned it very well

Now I know you're not the only starfish in the sea

If I never hear your name again, it's all the same to me

And I think it's gonna be alright, yeah, the worst is over now

The mornin' sun is shinin' like a red rubber ball

You never care for secrets I con-fide,

For you I'm just an ornament, somethin' for your pride

Always runnin', never carin', that's the life you live

And stolen minutes of your time were all you had to give
p.2. Red Rubber Ball

And I think it's gonna be alright, yeah, the worst is over now

The mornin' sun is shinin' like a red rubber ball

The story's in the past with nothin' to re-call

I've got my life to live, and I don't need you at all

I bought my ticket with my tears, that's all I'm gonna spend

And I think it's gonna be alright, yeah, the worst is over now

The mornin' sun is shinin' like a red rubber ball

Oh, I think it's gonna be alright, yeah, the worst is over now

The mornin' sun is shinin' like a red rubber ball
