ROCK AND ROLL IS HERE TO STAY - David White

4/4  1...2...1234

Intro:  (4 measures)

Rock, rock, rock, oh, baby, rock, rock, rock, oh, baby

Rock, rock, rock, oh, baby, rock, rock, rock, oh, baby

Rock and roll is here to stay, it will never die.  It was meant to be that way, though I don’t know why

I don’t care what people say, rock and roll is here to stay

(We don’t care what people say, rock and roll is here to stay)

Rock and roll will always be, I dig it to the end.  It’ll go down in history, just you watch, my friend

Rock and roll will always be, it’ll go down in history

(Rock and roll will always be, it’ll go down in history)

Everybody rock, everybody rock,

Everybody rock, everybody rock, rock, roll, everybody rock and roll
p.2. Rock and Roll Is Here To Stay

Rock and roll is here to stay, it will never die. It was meant to be that way, though I don’t know why

I don’t care what people say, rock and roll is here to stay

Rock and roll will always be, I dig it to the end. It’ll go down in history, just you watch, my friend

Rock and roll will always be, it’ll go down in history

If you don’t like rock and roll, think what you’ve been missin’

But, if you like to bop and stroll, settle back and listen

Let’s all start to have a ball, everybody rock and roll

Rock, rock, rock, oh, baby, rock, rock, rock, oh, baby

Rock, rock, rock, oh, baby, rock, rock, rock, oh, baby ROCK!
