

# ROUND AND ROUND - Joe Shapiro/Lou Stallman

4/4 1...2...123 (without intro-slow count)

**Intro: clapping on beats 2 and 4**

Find a wheel and it goes round, round, round, as it skims along with a happy sound

As it goes along the ground, ground, ground, till it leads you to the one you love

Then your love will hold you round, round, round, in your heart's a song with a brand new sound

And your head goes spinning round, round, round

'Cause you've found what you've been dreamin' of

In the night you see the oval moon, going round and round in tune

And the ball of sun in the day makes a girl and boy wanna say

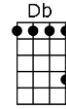

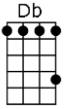

Find a ring and put it round, round, round, and with ties so strong that two hearts are bound

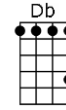

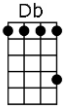

Put it on the one you've found, found, found, for you know that this is really love
