RUNNING SCARED (BAR)-Roy Orbison/Joe Melson

4/4 1...2...1234

Intro: (2 measures)

Just runnin’ scared each place we go, so a-fraid that he might show

Yeah, runnin’ scared, what would I do if he came back and wanted you

Just runnin’ scared, feelin’ low, runnin’ scared, you love him so

Just runnin’ scared, afraid to lose. If he came back which one would you choose

Then all at once he was standing there

So sure of him-self, his head in the air

My heart was breaking, which one would it be?

You turned a-round and walked a-way with me.
